When your child is not coming to school please phone the school at 306-763-7494 and let us know.

Our school needs to know where each child is whether it be at school or home. On our computer system, the office has to enter a reason as to why a child is away.

If you can call the school, and let us know your child will be absent, it would help us out so much. Thanks for letting us know! Also if you have new contact information please phone the office to update.

WELCOME BACK TO SCHOOL

Doors Reminder to Students and Parents/Guardians:

When your child is dropped off for school, they are to use their designated area doors.

Unless your child is late for school, then they must come in through the front doors to pick up a **late slip** from the office.

SAFE RESPONSIBLE RESPECT

At Vincent Massey Public School we BELIEVE in Safety, Responsibility, and Respect. They are the foundations of teaching and learning.

Safe - We care about each other and we keep each other safe. We do not stand by and watch others bring harm to themselves, to each other or to our school. We treat each other with kindness, compassion and empathy.

Responsible - We are all responsible for our learning environment. We make choices that allow us to stay in the "Green Zone" where everyone can learn in a positive space. We attend school regularly and are prepared to learn.

Respect - We choose to be respectful of ourselves, of each other and of our place of learning. We build healthy relationships that promote learning and create a positive school culture.
