Dear School Administrator:

RE: U-turns in School Zones

---

The City of Prince Albert has updated the Traffic Bylaw to prohibit U-turns in school zones. As one of the schools impacted, I wanted to provide you with this information and to request that you share the new regulation with parents and caregivers at your school.

I have enclosed a map of the school zones. The areas marked in red are where u-turns are no longer allowed.

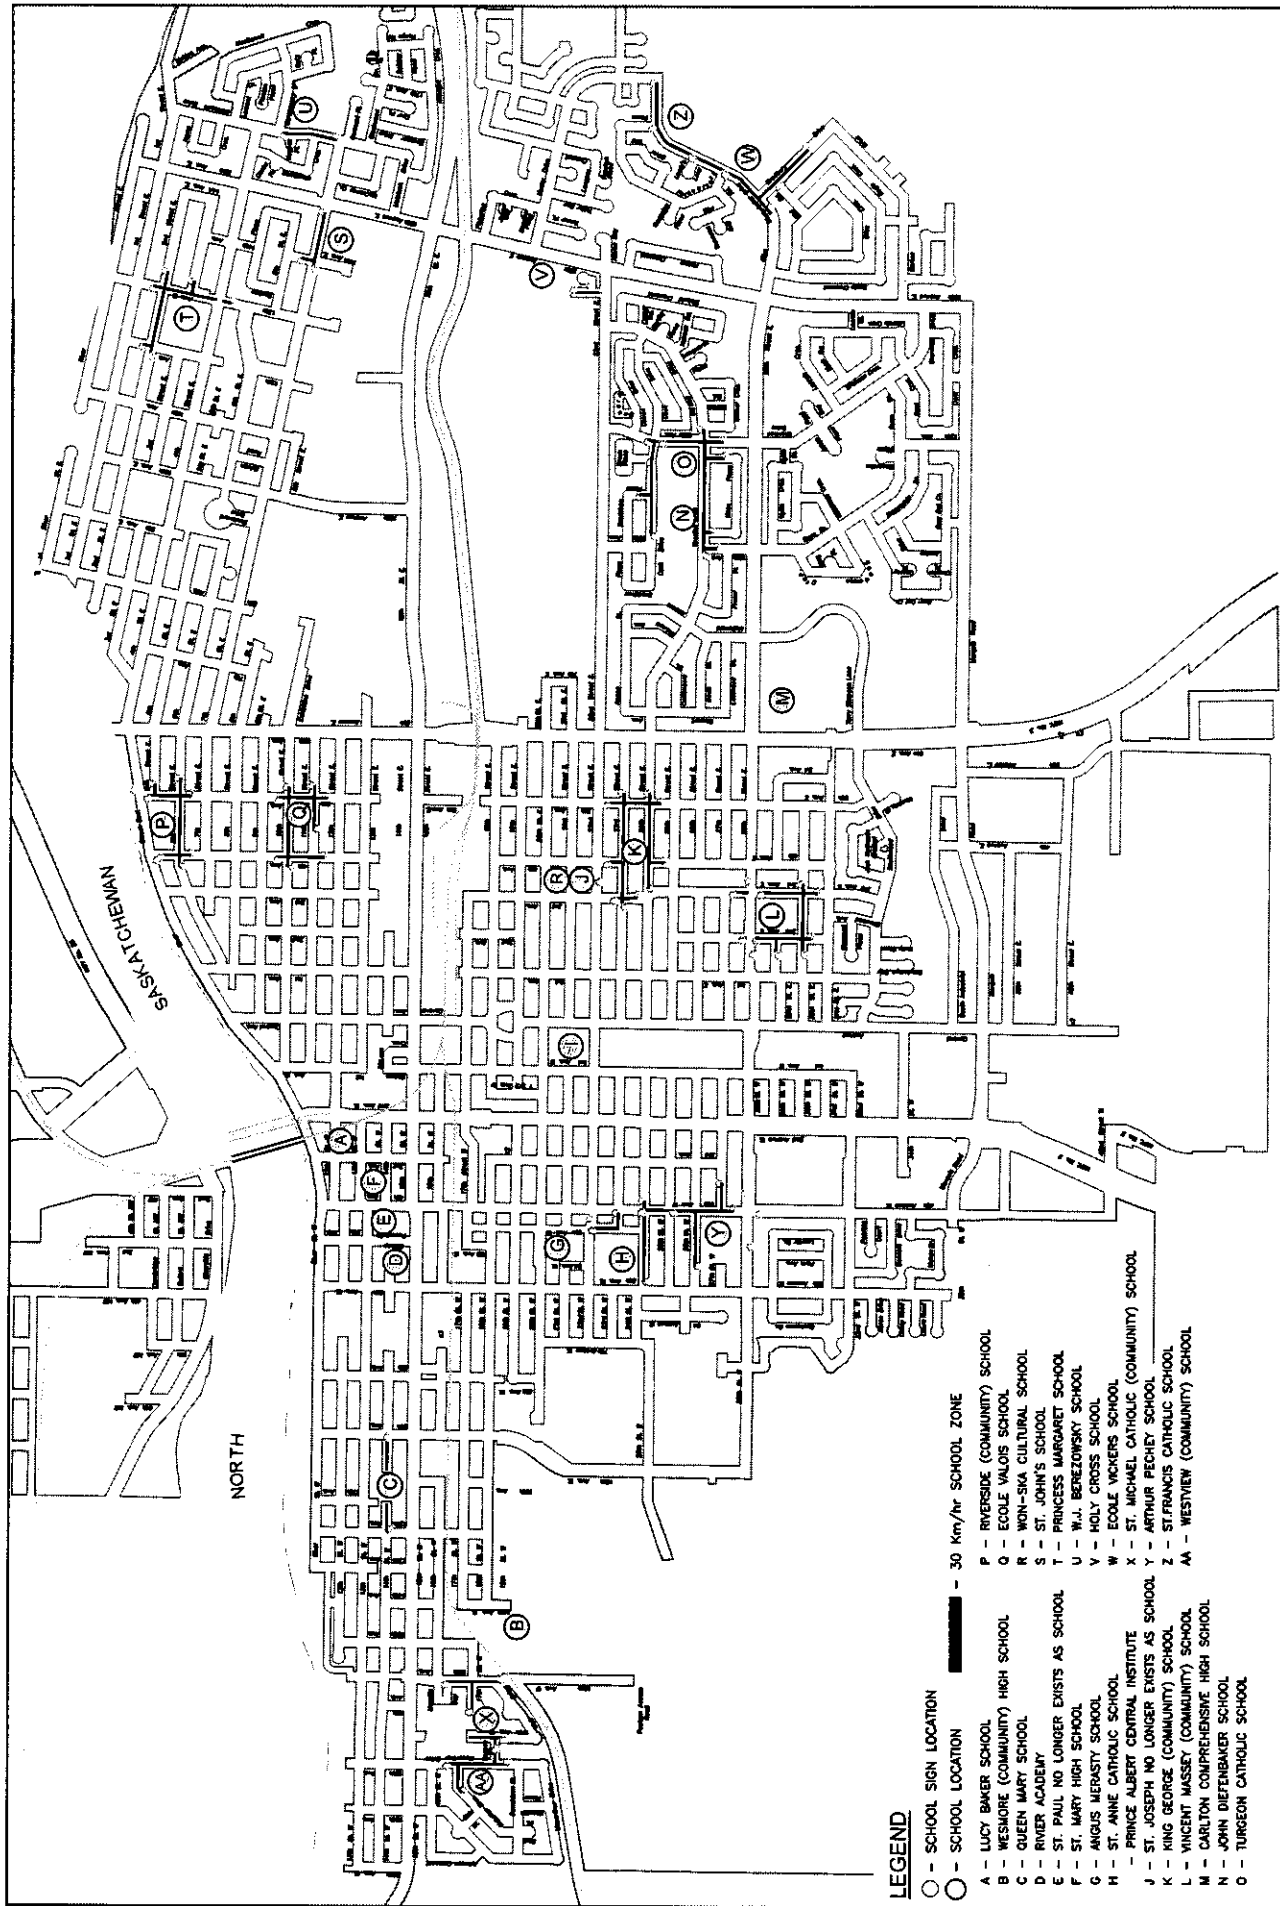

This change was initiated as a means to improve pedestrian safety in school zones where, as you know, there can be a lot of congestion during the school day. This measure will ensure that each child can see and be seen by drivers in the area. If a vehicle is performing a U-turn, children who are walking, running and playing in the area may not anticipate the change in direction. Similarly, as a driver is performing a u-turn blind spots change and the driver may not be able to see what is happening behind the vehicle.

The fine for violating the restriction is \$100.

If you have any questions, please contact me at (306) 953-4900.

Thank-you,

  
Kerri Sapsford
