SAFE RESPONSIBLE RESPECT

At Vincent Massey Public School we BELIEVE in Safety, Responsibility, and Respect. They are the foundations of teaching and learning.

Safe - We care about each other and we keep each other safe. We do not stand by and watch others bring harm to themselves, to each other or to our school. We treat each other with kindness, compassion and empathy.

Responsible - We are all responsible for our learning environment. We make choices that allow us to stay in the "Green Zone" where everyone can learn in a positive space. We attend school regularly and are prepared to learn.

Edsby is a great way to support your child at school. Edsby pulls together information about each of your children and presents it in a clear, easy-to-understand format. Parents are an important part of the school's family. For each of your children – even if they go to different schools – you'll see all their teachers and classes. Some teachers will assign work through Edsby and if they do, you will be able to see academic progress, upcoming assessments, and current assessments. Each child has a calendar that will display tests and events from their classes and groups, if the teachers are entering the information. Parents may also see what teachers are posting in a class to support their child.

- If you have not received an Edsby invitation email from your school please contact your school.
- You will receive an invite for each child that is enrolled in our school division.
- You will only need to create one account.

If you download the **Edsby App** for your mobile device you will need to enter this code "**srsd119**" to connect to our Saskatchewan Rivers School Division server.
