Administrator Message

As we head into the final stretch of the school year, let's finish strong! We're proud of all the hard work our students have put in and encourage everyone to stay focused and positive through the last few weeks.

We have lots of special events this month; grade 8 farewell, Clan gathering at Little Red, Kindergarten farewells, and many class celebrations. With all this going on, we remind all that we are in school until June 25th, learning and making memories until the end of the month.

Reminder that Kindergarten and Pre-Kindergarten registration is open,
you can register your little ones before the fall.

With the warmer weather, please make sure students come to school in appropriate clothing and apply sunscreen before arriving. We also remind everyone to stay safe while playing outside—hydration, shade, and safe play are key!

Let's make the end of the year both fun and safe for everyone!

Sincerely,

Mrs. Tomporowski and Ms. Fernie

Library — Miss Bantle

It is almost the end of the school year. It's been a pretty good year in the library! New books to enjoy and some repairs made to existing books that have been loved a little hard!

With the end of the year ... it means that we need to count all the books, math manipulatives and text-books! (hehe). The last day that students will borrow is May 30.
All students need to have their books retuned by June 6th.

Thanks.

Christina's Art School - new registrations start June 1st for openings in the Fall!
